The student's national percentile ranking is also reported in the composite score as well as in each of the scale and subscores.

The Michigan Department of Education (MDE) has announced that it will transition to using the SAT as part of the Michigan Merit Examination (MME). The state will also offer the PSAT<sup>™</sup> 8/9 and PSAT<sup>™</sup> 10 to ninth- and 10th-grade students free of charge in the spring.

The SAT is accepted at **all Michigan universities** and is already a familiar test to many in the state. The test keeps pace with what colleges are looking for today, focusing on the few durable things that evidence shows matter most for college and career readiness and success. And it reflects what Michigan students are already learning in their classrooms.

1. ACT data was retrieved July 2, 2015, from <http://www.act.org> and <http://www.actstudent.org>.

2. The Essay Component is optional for national administration of the SAT, but it is mandatory for Michigan SAT School Day.

3. Based on selected questions in the Reading, Writing and Language, and Math Tests. *Please note that Analysis in Science and Analysis in History/Social Studies scores are subject to ongoing research.*
