We know how important it is that families are kept informed and involved in their son or daughter's life. We welcome you to Blackboard Connect, which provides you with access to keep you involved and informed. Parents can easily access Blackboard Connect from any location with an internet connection. Blackboard Connect is a "one stop" resource no matter how many children a family has in our schools or which buildings they attend.

Blackboard Connect allows us to personally communicate with parents about emergency situations, attendance, school events, and important issues impacting your child. It will allow us to send personalized voice messages to your family's home, work or cell phones, email communications, and even text messages, reaching you within minutes!

FACTS

Studies conducted by independent research firms have concluded that Blackboard Connect usage results in increased parent involvement, improved attendance, as well as decreased truancy.

One of every six K-12 students in the United States attends a school that uses Blackboard Connect.

All parents will receive all emergency notifications, such as school closings. Parents have the option of choosing what other types of messages they would like to receive, such as school and athletic information or other general information.

When a call comes from the school or district, your caller ID will display the school's phone number or the district's number (248.682.7800).

Blackboard Connect can reach thousands in just minutes! Through the use of tens of thousands of phone lines originating from multiple locations throughout the United States, messages are delivered quickly and efficiently.
