**Waterford Teen Health Center believes physical and mental health have a significant impact on an adolescent's success in school, at home and within the community.**

### **QUALITY HEALTH CARE**

Waterford Teen Health Center's quality primary care and preventive services are available to 12-21 year-old residents of the Waterford School District and surrounding communities. Our medical team delivers individual, private teen health care ranging from preventive health services, to treatment of injuries, to sports physicals, to counseling for many issues that affect teens. Plus, accessing health care is easy—the Waterford Teen Health Center is located within the Waterford community.

### **AFFORDABLE HEALTH CARE**

Payment is based on each student's household income, making our health care services affordable. No one is refused care at the Waterford Teen Health Center due to household income or insurance status. Assistance in applying for Medicaid is also provided to uninsured families.
